Dear David:

It was a pleasure to meet you and your brothers at the dinner and presentation by Dr. Frank Haluska. I know how invaluable your support has been to Frank and how much he appreciates it. It was very nice to be able to meet you in person after hearing so much about the good work that you are doing through Peter's Fund Raiser.

Thank you for your most recent contribution to the Melanoma Research Fund. There are so many exciting things happening in the field of cancer research and in the area of melanoma in particular. Your ongoing support helps to advance this research and is truly appreciated.

I hope that you enjoyed taking a tour of the melanoma research lab. Frank has asked me to speak with you about putting up a plaque recognizing your contributions in Peter's memory. I'll give you a call shortly to see if this is something that you would agree to let us do. Until then, I send you all best wishes and thanks.

Sincerely,

Denis Bustin
